Shortage of Dwelling Units

452. SHRI SHANKER SINH VAGHELA; Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether the shortage of dwelling units increased from about 23 million in 1981 to the estimated about 28 million units in 1988 in spite of the various Government schemes; and:

(b) if so, what extra schemes Government propose to take to wipe out the shortage and arrears in the face of the above trend?

THE MINISTER OP STATE IN THE MINISTRY OP URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) The estimation of housing needs takes into consideration the factors °f congestion overcrowding. No. of married couple requiring separate rooms and (he unserviceable Kutcha houses. Keeping in view these factors nnd based on the 1981 census the NBO has estimated the shortage of dwelling' units in the country in 1981 to be 23.3 million and projected the likely shortage in 1988 to be 28.5 million.

fb) Housing is a State subject and all social housing sche::-mented by the State Govts./U.T. Admns. according to their local requirements and plan priorities.. Central financial assistance is provided *to* the State Govts, and U. T. Admns. in the shape of block loans and grants without being tied to particular head of development.

However, several steps have been taken at the National level to meet the demand for housing. Some of them arc as follows: —

(i) The Public Sector outlay for housing has been raised from Rs. 1490.87 crores in the Sixth Five Year Plan to Rs. 2458.21 crores in the Seventh Five Year Plan. The National Housing Policy (NHP) has been appoved by the Rajya Sabha..

(ii) provide easy accessibility *to* housing finance, the National Houing Bank has been set up.

(iii) HUDCO's financial opera tions has been sufficiently stepped up.

(iv) The National Housing Policy "hag envisaged removing shelterless-Bess by the turn of the century.

Cv) Unde$_r$ th$_e$ Rural House sites. cum-Construction Assistance Scheme for landless workers, a provision of Rs, 577 crores has been made. Of this, Rs. 36 crores would be utilised to provide developed house-slte$_s$ of 90 sq. mtrs each to 7.2 lakh landless families at the rate of Rs. 500 per family and Rs. 541 crores would be utilised for the provision of construe-tion assistance to 271 lakh families at the rate of Rs. 2000 per family.

(vi) During the last four years of the Seventh Five Year Plan, the achievements has been as follows—

----- 31.42 lakh plots were allotted to landless workers in rural areas.

—15.24 lakh families were given construction assistance.

—4.58 lakh dwelling units have been constructed under the Indira Awas Yojana.

—69.66 lakh persons in urban slums were covered by the scheme of Environmental Improvement of Urban Slums.

—5.58 lakh dwelling units were con-structed for the economically weaker sections of the population.

(vii) With a view to removing shelterless-ness.Government of India has approved a scheme for provision of shelter to the pavement dwellers in the metropolitan cities. Two schemes costing Rs. 34 lakhs and Rs 89.88 lakhs have been sanc tioned for Calcutta and Madras

res-Laying of Additional Pipe line in Vasant Vihar
